- Married Renee Michelle Guyton on December 24, 1987. Father to Robert Jackson (14) and Mary Morris Jackson (11).
- Equally capable of speaking in both small settings and large crowds.
- Able to communicate the message of Christian recovery in radio, print and online mediums.
- Grateful for an ongoing recovery of more than twenty-five years from panic disorder and major depression.
- Proficient in Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Microsoft Outlook, and ACT! By Sage.

Career Progression

ChristianCounsel International, PC, Colorado Springs, Colorado

1991 to Present

President/Owner

This private practice has been maintained for over eighteen years, starting in Mississippi, before moving to Minnesota, Washington, and Colorado. From the beginning, this practice has been Christ-centered, helping individuals, couples, and families. In 1994, a specialization in sex addiction was initiated during part-time employment with the American Family Association. Beginning in 2000, this national and international practice has provided brief intensive therapy, usually consisting of twenty hours of therapy and personality testing per client or client couple.

- Ongoing development of the Iceberg Model of Spiritual Formation™, an integrated model for realizing transformation in Christ.
- Ongoing development of online resources at www.ChristianCounsel.com
- Self-disciplined, preferring diversity of tasks, and comfortable working alone or in group settings.

Christian Alliance for Sexual Recovery, Inc., Eden Prairie, Minnesota

1998 to 2000

Founding Member and Associate Director

This defunct nonprofit organization was co-founded with Dr. Mark Laaser. Workshops for sexually addicted men, spouses, and couples were conducted throughout the country. Training Institutes for pastors and therapists were conducted biannually.

- Coordinated the implementation of workshops and training institutes.
- Served as the primary intake counselor for the call center.
- Assisted in the daily operations of the company, including finance, marketing, and quality assurance.

Southern Baptist Theological Seminary Extension Program, Jackson, Tennessee

Fall Semester 1998

Instructor

Taught a class in pastoral counseling for men and women in the master of divinity program.

- Prepared weekly lesson plans and evaluations.
- Personal interaction with students occurred regularly.
- Provided timely reports to the Seminary.

American Family Association, Tupelo, Mississippi

1994 to 1998

Director of Men's Ministries

Served initially as an independent contractor for the men's workshop ministry. As the ministry grew, support was provided to the call center. Part-time employment developed into full-time employment. Directed men's ministries.

- Coordinated the implementation of men's workshops
- Served as one of three intake counselors for the call center.
- Assisted in the daily operations of the company, including finance, marketing, and quality assurance.

Tupelo High School, Tupelo, Mississippi

1994 to 1995

Instructor in Psychology

Taught two classes of psychology to juniors and seniors.

- Prepared daily lesson plans and evaluations.
- Personal interaction with faculty and students occurred regularly.
- Provided timely reports to the administrators.

Mantachie Family Clinic, Mantachie, Mississippi

1994 to 1995

Independent Contractor and Co-facilitator for Adolescent Perpetrators' Group

This clinic's physician/director was an integral part of the Stop the Hurt Child Sexual Abuse Conference. A therapeutic process group for adolescent perpetrators was developed and co-facilitated.

- Provided consultation for the development of the group format.
- Taught psycho educational materials and co-facilitated in a therapeutic process.
- Maintained charts on a weekly basis.
- Consulted as needed with medical director for enhanced patient care.

Rapha, Memphis, Tennessee

1994 to 1995

Independent Contractor for Life Group

As a national network of Christian psychiatric facilities, Rapha developed weekly “Life Groups” in several settings throughout the country. This program was designed for clients who needed aftercare treatment following hospitalizations, and for others who hoped to avoid hospitalization.

- Conducted this weekly process group on Rapha’s behalf.
- Taught psycho educational materials and co-facilitated in a therapeutic process.
- Maintained charts on a weekly basis.
- Consulted as needed with psychiatrist for enhanced patient care.

North Mississippi Medical Center - Center for Business Health, Tupelo, Mississippi

1989 to 1989

Employee Assistant Program Coordinator

Promoted to coordinator in order to expand the employee assistance program. This program served the largest hospital in a non-metropolitan area and approximately 6800 covered employees from area businesses and industries.

- Hired and supervised two master level therapists and one administrative assistant.
- Participated in marketing and development of the program.
- Participated in sales calls with field representatives.
- Conducted quality assurance reviews for customer, client, and professional considerations.
- Reported directly to the vice president of marketing and development.

Union University, Jackson, Tennessee

1998 to 1989

Director of Student Support and Instructor

Union University provides a proactive student support center that includes freshmen orientation and student retention.

- Coordinated the orientation program for incoming freshmen.
- Provided academic advisement for students as needed.
- Developed and maintained a student-based tutoring system.
- Taught two remedial classes for students who entered with academic probationary status.
- Assisted in the development of a peer counseling program designed to aid troubled students.
- Reported directly to the vice president of academic affairs.

Quinco Mental Health Center, Bolivar, Tennessee

1988 to 1989

Counselor

This state-based agency provides outpatient mental health and substance abuse services to persons with co-occurring mental and substance abuse disorders.

- Consulted in admissions to inpatient treatment through the State of Tennessee.
- Maintained client charts and administrative reports.

North Mississippi Medical Center - Behavioral Health Center, Tupelo, Mississippi

1987 to 1998

Psychological Associate

NMMC's Behavioral Health Center has both an acute unit and a stabilization unit, meeting all needs of adults with psychiatric problems and chemical dependencies. The treatment team consists of psychiatrists, psychologists, nurses, counselors, social workers, recreation and activity therapists and other ancillary staff.

- Provided psychological test administrations to patients on the psych ward and alcohol and drug treatment units (adults and adolescents).
- Provided assistance in the administration of neuropsychological tests for patients with various conditions.
- Provided biofeedback and relaxation training to outpatients.
- Provided limited EAP counseling.

North Mississippi Retardation Center, Oxford, Mississippi

1986 to 1987

Associate Psychologist

NMRC is one of five comprehensive regional centers, and operates under the authority of the Mississippi State Department of Mental Health. Licensed as an intermediate care facility for the mentally retarded, an array of services are offered to children and adults with mental retardation and other developmental disabilities.

- Served two gender-specific cottages of twenty children each between the ages of five and eighteen.
- Developed and administered behavioral programs designed to prevent self-injurious behaviors.
- Provided consultation and support to residential living staff and cottage teachers.
- Trained various service providers on how to administer and customize behavioral programs to fit the needs of individual residents.
- Served as interim department director during the director's extended leave of absence.
- Utilized leadership and authority in a consistent manner and in such a way as to reinforce the residential philosophy and program of the center.

North Mississippi Medical Center - Behavioral Health Center, Tupelo, Mississippi

1985

Practicum

Practicum involving inpatient, mental health and addiction treatment for adults and adolescents. The majority of patients carried dual diagnoses and suffered chronic disorders.

Columbus and Starkville Children's Clinics, Columbus and Starkville, Mississippi

1984

Practicum

Practicum involving outpatient treatment for children. The majority, victims of physical, emotional, and/or sexual abuse, presented with concerns such as attachment and separation issues, oppositional behavior, conduct disorders, relational problems, substance abuse, ADHD, learning disabilities, adjustment disorders, coping deficits, poor socialization and interpersonal skills, poor academic and achievement skills.

Education

Mississippi State University, Starkville, Mississippi

1986
